Purchaser agrees that (i) Purchaser’s use of VeriSeq Software or VeriSeq Consumables in any manner or for any purpose other than Purchaser Use for such Product is a breach of this Contract, and (ii) actual knowledge by Seller and/or Seller’s Affiliates that Purchaser is using the Product in any manner or for any purpose other than expressly authorized herein does not waive or otherwise limit any rights that Seller and/or Seller’s Affiliates which may have as a result of such use of the Product, including, any rights or remedies available under this Contract, at law and/or in equity. Purchaser acknowledges that (i) the Products have not been approved by any regulatory entity for any specific intended use, whether research, commercial, diagnostic, or otherwise, and (ii) Purchaser must ensure it has any regulatory approvals that are necessary for Purchaser's intended uses of the Products. Purchaser shall promptly disclose to Seller any communication that it makes to or receives from a government body, agency, or other regulatory or accrediting body pertaining to the Products or Purchaser's use of the Products. Purchaser shall comply with all applicable laws and regulations when using, maintaining, and disposing of Products. If Seller reasonably determines that it is necessary to discontinue sale of any Product to Purchaser and Seller makes available for purchase by Purchaser a product or combination of products that has a relevant regulatory status more appropriate for such application, then Purchaser will transition to the use of that product or combination of products and cease using the applicable Product for that application. a. Infringement Indemnification by Seller. Subject to the terms of this Contract, including Sections 9.b and 9.d, Seller shall (i) defend, indemnify and hold harmless Purchaser against any third-party claim or action alleging that a Product when used for the specific Purchaser Use and in accordance with the terms of this Contract (including in accordance with such Product's Documentation), infringes the valid and enforceable intellectual property rights of a third party, and (ii) pay all authorized settlements entered into by, and all final judgments and costs (including reasonable lawyers' fees) awarded against Purchaser in connection with such infringement claim. This Section states the entire liability of Seller for any infringement of third party intellectual property rights.

To the extent Seller is aware that Purchaser has purchased affected Consumable Kits within the nine month period prior to the Discontinuation Date or change, Seller will use commercially reasonable endeavors to notify Purchaser of the discontinuation or change and will make the Changed Consumable Kits available no later than six months prior to the date that the original Consumable Kit is discontinued ("Discontinuation Date"). 11. Payment Terms.

a. Fees; Interest. If payment is made by wire or other electronic funds transfer, Purchaser is solely responsible for any bank or other fees charged, and will reimburse Seller for any such fees. If any payment is not made by the due date Seller may exercise all rights and remedies available by law, including suspending performance. Purchaser shall pay for all costs (including reasonable lawyers' fees) incurred by Seller in connection with the collection of late payments. Any amounts not paid when due will accrue interest at the rate of 1.5% per month, or the maximum amount allowed by law, if lower

b. Payment per Invoice. For Products other than Training, Seller will invoice upon shipment. For Training, Seller will invoice on acceptance by Seller of the Purchase Order for such Training pursuant to Section 15.a. Purchaser shall pay to Seller the total amount of each invoice within 30 days of the date of the invoice. All amounts due shall be paid in the currency found on the invoice. Each Purchase Order is a separate, independent transaction, and Purchaser has no right of set-off against other purchase orders or other transactions with Seller. Seller will determine payment terms on a per-Purchase Order basis and may modify credit terms in its discretion.

12. Shipping Terms; Title and Risk of Loss. Unless otherwise set forth in writing by Seller or otherwise agreed between the parties, all shipments are made DAP (Incoterms 2010) at the address designated by Purchaser at the time of ordering and Purchaser is responsible for freight and insurance which will be added to the invoice and paid by Purchaser. In all cases, title (except for software) and risk of loss transfers to Purchaser when the Product is made available at such address.

Seller may provide Documentation with each Product at time of shipment or electronically. Purchaser shall not copy or transfer the VeriSeq Software from the server hardware supplied by Seller without Seller's prior written consent. With respect to any Training ordered by Customer in a Purchase Order, Seller shall provide up to fifty (50) hours of Training at such times to be agreed between the Seller and Purchaser. Any additional Training requested by Purchaser shall be the subject of a separate Purchase Order, at additional charge, and separately contracted for by Seller and Purchaser.

14. Taxes. Purchaser agrees that any applicable sales, use, excise, VAT (value added tax), GST (goods and services tax), withholding and other taxes will be calculated based on both the tax rates in effect on the date of shipment and the ship to address for the Product. Any amounts for tax listed on a quotation, if any, are for reference purposes only and are not binding on Seller. All prices and other amounts payable to Seller are exclusive of and are payable without deduction for any taxes, customs duties, tariffs or charges hereafter claimed or imposed by any governmental authority upon the sale of the Product, all of which will be paid by Purchaser. In the event Seller is required by law or regulation to pay any such tax, duty or charge, such amount will be added to the purchase price or subsequently invoiced to the Purchaser.

15. Purchase Orders.

Purchase Orders shall state, at a minimum, the catalogue number, the Quotation number, the quantity ordered, price, requested delivery date, and address for delivery. All Purchase Orders shall be sent to the attention of Illumina Customer Solutions. The requested delivery date shall not be less than 30 days after acceptance by Seller of the Purchase Order. Acceptance of a Purchase Order occurs when Seller provides Purchaser a written sales order confirmation. Each Purchase Order constitutes a separate offer by Purchaser to purchase the applicable Products in accordance with the terms of this Contract, which Seller shall be free to accept or decline at its absolute discretion. Purchaser is responsible for ensuring that the terms of the Purchase Order are complete and accurate. Any quotation for the Products given by Seller shall not constitute an offer. Seller reserves the right to amend the technical specifications of a Product if required by any applicable legal or regulatory requirements.

b. Purchase Order Changes/Cancellations. Purchaser may not change or cancel a Purchase Order once placed.

16. Term and termination.

a. Term. Unless terminated earlier in accordance with its terms, this Contract shall commence on the Effective Date and shall continue in force (i) until the expiry date as stated in the Quotation, or, if no expiry date is stated in the Quotation, (ii) for a period expiring on the first occurrence of 31 March following the Effective Date.

b. Termination. Without limiting any of its other rights or remedies, either party may terminate this Contract with immediate effect on written notice to the other party if (a) there is a material breach of this Contract by the other party, and, where such breach is capable of being remedied, such breach is not remedied by the other party within 30 days of such written notice, or (b) the other party (i) suspends or threatens to suspend (1) payment of its debts or is unable to pay its debts as they fall due or (2) all or a substantial part of its business, (ii) becomes the subject of a voluntary or involuntary petition in bankruptcy or any proceeding relating to insolvency, receivership, liquidation or composition for the benefit of creditors; or (iii) is the subject of any event or proceeding in any jurisdiction to which the other party is subject that has an equivalent or similar effect to any of the events set forth in the foregoing sub-paragraphs (i) and (ii).

17. General.

a. Whole agreement. This Contract exclusively governs the ordering, purchase, supply, and use of the Product, to the exclusion of any other terms that Purchaser seeks to incorporate or impose, or which are implied by trade, custom, practice or course of dealing. Seller's failure to object to any such terms that Purchaser may seek to incorporate or impose shall not constitute a waiver by Seller, nor constitute acceptance by Seller of such terms. Any samples, drawings, descriptive matter, or advertising

produced by Seller and any descriptions or illustrations contained in Seller's catalogues or brochures are produced for the sole purpose of giving an approximate idea of the Products described in them. They shall not form part of this Contract or have any contractual force. This Contract represents the entire agreement between the parties regarding the subject matter hereof and supersedes all prior discussions, communications, agreements, and understandings of any kind between the parties. The Purchaser agrees that it shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set forth in this Contract. Subject to Section 5.a, the Purchaser agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in this Contract.

Seller and Purchaser agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to this Contract. Incoterms 2010 shall apply where specified but where they conflict with this Contract, this Contract shall prevail.

c. Representations and Warranties of Purchaser; Resale. Purchaser acknowledges and agrees that Purchaser is not an authorized dealer, representative, reseller, or distributor of any of Seller's, or its Affiliates', products or services. Purchaser represents and warrants that it is purchasing the Products on behalf of itself and not on behalf of a third party and agrees not to (i) actively resell or distribute the Products to a third party; or (ii) export the Products from the country to which Seller shipped the Products pursuant to the ship-to address designated by Purchaser at the time of ordering ("Ship-to Country").

d. Seller Remedies for Breach. f. Seller Affiliates. Any actions or rights that may be performed or exercised by Seller hereunder may be performed or exercised by Seller itself or by any of its Affiliates. By way of non-limiting example, Seller's Affiliates may carry out shipment, servicing, invoicing and receipt of payment. Seller's Affiliates may enforce any term of this Contract against Purchaser.
